Sub: Request to incorporate changes in Curriculum-Reg.

Dear Sir,

The institution has taken feedback from various stakeholders with regards to design and review of curriculum. On analysing the feedback, the institute noticed that some of the stakeholders shared their views with regards to changes to be made to the existing curriculum to make it relevant to the current trends and market needs.

Some important points received from the stakeholders are given below for your kind reference and consideration.

**Dept. of Management:**

1. Introduce awareness programmes on new technologies.

**Dept. of Humanities:**

1. Practical knowledge is needed to face real life situations

**Dept. of computer science:**

1. Data science can be included in elective courses.

Hence I request you to consider above points while updating the curriculum so that all the students will get benefited.

Thanking you,

Yours sincerely,
