Without his guidance, mental & moral support and academic inputs this report was not possible.

This Training report could never have seen the light of the day without his co-operation of those Clients who participated in this. I am Thankful to all of them for giving me their valuable time.

My friends have been biggest support for me at every juncture of life. They manifested their great interest in my research work also and always tried to make thingseasy for me.

A word of gratitude goes to my family members whose love ; affection and understanding have enabled me to complete this end with ease.

At the end, I thank to Almighty for giving me courage and strength to conduct this project report.
